

# Open Auditions!

## HARMONY HANDBELLS

### Ringin' Out Across Southern Nevada

We are a community handbell ensemble in Southern Nevada dedicated to performing quality music!

We are always looking to expand our membership, so if you are interested in playing challenging repertoire, improving your technique and are looking for more performance opportunities, contact us to schedule an audition for the 2019-2020 season!

For the audition, we will ask you to:

- Play about 20 bars of music you will be sent to prepare
- Do some sight reading
- Have an interview with the director

Auditions will be held in July and August.
